Officer of the Month

Noelle Tolentino

Since the day school started, and even before, Noelle was always present and delegating for all the chalkboarding and tabling events. On top of that, she makes sure to constantly update our members through her great and effective means of delivering the message of upcoming events. She does an amazing job in marketing PBL throughout the campus, creating the awareness that helps bring everyone together.

Alzheimer's Walk

October 22, 2011

Our Community Service Director, Jessica Wong, did a great job in coordinating the Alzheimer's Walk for PBL. There was a great turn out even though it was at 6:00 am, and the service was very successful!

Haunted Trail

October 21, 2011

PBL members braved the Haunted Trail social at Balboa Park in honor of the upcoming Halloween holiday. They claim that it was not scary, but WHO KNOWS?

Member of the Month

John Tseng

John Tseng is silent, but deadly. He contributes so much to PBL and is active to the maximum. Always sure to attend PBL events, he diligently collaborates with all the officers and members to construct a positive image for the team. He sets a great example of how to be a valuable addition to the organization and the members within it.

Past Events in the Month of October:
